作者的話:

Hello my name is Shruti Lunawat. I am Indian and I'm studying in Good Hope School. This is the first time I came across picture book, it was difficult at first because my Chinese isn't very well, but after reading picture book, I feel more interested in reading because picture book doesn't have many words. The reason I wrote this story is because discrimination is a common problem we ethnic minority face every day, this story is a bit similar to mine and my partner Eloisa's experience and so we decided we would tell people about it, we want to tell people that even if you're an ethnic minority, you can try your best to fit in the society instead of giving up and complaining. Like the sparrow in the book, we wish that every ethnic minority friend can learn to take the first step too, to make themselves part of the society. The reason we use bird because we thought it would be more interesting, we hope you enjoy the book.

Hi, my name is Eloisa De Vera and I am a Pilipino, I am currently studying in Good Hope School, I joined this project because I hope that I could improve my Chinese as it's important for living in Hong Kong. I had many difficulties when I first attendant the workshops because they were all in Chinese and my Chinese wasn't very good, but with the help of the university students and teacher, I was able to make this picture book with my partner Shruti, I have learned to cooperate with classmates and I have enjoyed some of the readings, the story is about a bird who is not the same as other birds in the class, then slowly it tries to fit in, we want to tell our ethnic minority friends that, like the bird, u can also become friends with Chinese, the drawing was hard, but we enjoyed the process, and I have leaned some new Chinese terms too, I hope you will all enjoy our book, thank you.

作品介紹:

該書最吸引人的地方是故事精彩、圖畫精美。作者利用動物代替人，去描述人性的故事。這作品中的主角其實是自己，用一隻麻雀去形容自己、描述自己的經驗。該作品的故事和少數族裔息息相關，也帶出了一個很正面的資訊給讀者，期望讀者作出反思！這是一本很有水準的作品。

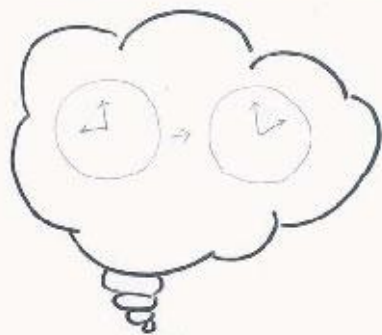

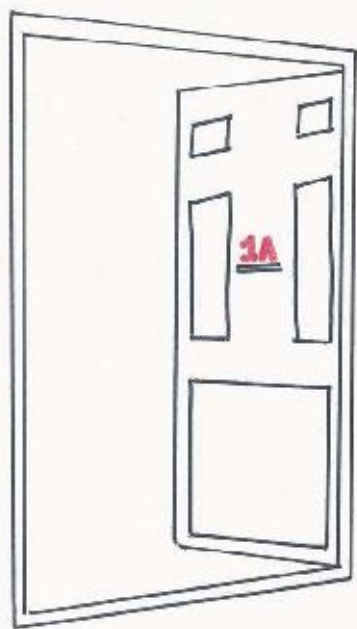

有一隻小麻雀，牠
今年要上中學。

小麻雀的新同學全部是很
聰明和富有的。牠的校園
生活有很多改變...

新的學校、新的上課下課時間、新同學、和新的科目。

第一天上課，小麻雀又害怕又緊張。

然後，小麻雀一步一步地
走進教室去。

不要害怕，
今天會很好的。

因為小麻雀是班上的少數族裔，所以小麻雀覺得自己不被別人接納，還經常自己坐在課室的一角。

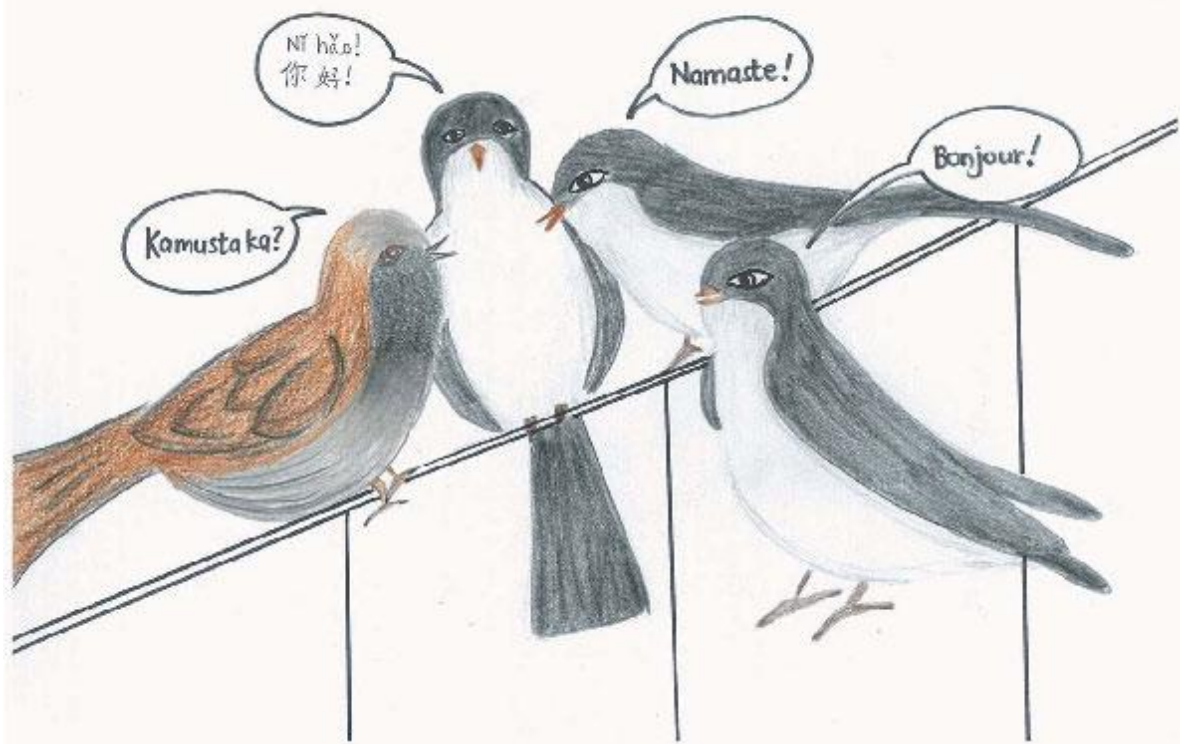

事實上，當老師叫大家分組討論時，其他小燕子都不願意找小麻雀分組。

幾個星期後，小麻雀認識了朋友：
小麻雀把牠的食物分給其他同學。

第一個星期,牠收到成績表了;可是全部都不合格.....

之後，牠努力
做好牠的
功課，可是，電腦
突然失靈，牠的功課
全部都不見了。媽媽
鼓勵牠。

小麻雀的爸爸教導牠
做功課。
